

After two successful terms as a Senator, I seek one more term to continue my work for you and the wider UQ community. What have I done for the past 8 years? – see www.itee.uq.edu.au/starkey. I take my Senate role seriously and am not afraid to speak up and ask questions. With 36 years' experience as a UQ student and staffer, I certainly know UQ but remain open to fresh ideas. I want to ensure the culture change program is followed through, that we have a properly funded staff wellness program, and that finances are competently managed. Vote smartly, vote Starkey.
